BULLETIN #46A

NATURE OF RELEASE: Transmissions 13991560/3 and FLYWHEEL
BOLTS, 12067701 (10 K)

MODEL: 850 Eldorado

DISTRIBUTION: ALL DEALERS

EXPLANATION: It is apparent that some doubt exists
regarding the changing of transmissions
13991560/3 and Flywheel Bolts 12067701
per Bulletin #46.

The bolts to check and change if necessary
are the six bolts locating the flywheel to
the crankshaft, and are not to be confused
with the starter ring bolts which do not have
to be changed.

The flywheel bolts must be marked 10K. If
they are not they must be changed when
fitting replacement transmission.
